TEMPORARY FOOD EVENT COORDINATORS'S APPLICATION continued

12. Describe the waste water disposal system:

13. Describe the solid waste disposal:

14. Provide copies of the food vendor applications to Environmental Health at least seven (7) days prior to the event. Along with the application information, the vendor will be supplied with the requirements for permitting and operation of a temporary food establishment as outlined in the temporary food establishment guidelines and check list and as detailed in the requirements for temporary food establishments.

15. Attach a map of the event indicating the location of food booths, event boundaries, streets, toilet facilities, and locations of waste disposal facilities (liquid wastes, garbage, and grease).

Approval of this application by Granville Vance Public Health does **not** indicate compliance with any other code, law or regulation that may be required (i.e., Federal, State, or Local)

A pre-opening inspection of the TFE with equipment in place will be necessary to determine compliance with the rules and regulations governing temporary food service establishments. **A permit cannot be issued unless all of the requirements are met.**

Coordinator's signature: _____ Date: _____

Return application and documentation to Granville Vance Public Health, Environmental Health seven days before the event.
