COMPREHENSIVE LIST OF TREATMENT CENTERS

CARDINAL INNOVATIONS

Cardinal Innovations is a 24/7 hotline Call Center that refers patients to the services that they need. The Call Center is the gateway to all of the local mental health, developmental disability and substance abuse services. It serves those with complex needs, who are insured, Medicaid eligible or uninsured in North Carolina. It assists individuals and families affected by mental health, intellectual and developmental disabilities or substance use disorder conditions. The organization enhances the health and well-being of the individuals and their families and creates quality solutions for people who depend on the public system for care. Cardinal Innovations also provides state funding. Those who are uninsured can apply for funding to cover their medical bills.

Any gender specific programs?: All genders can call the hotline

Insurance Coverage: Cardinal innovations is a free call service that will refer patients to care regardless of their insurance status. In addition to referring patients to care, they also provide state funding for those who are uninsured. The NC Innovations Waiver is a Home and Community Based Waiver for people with intellectual or developmental disabilities and is part of the NC MH/DD/SAS Health Plan. State-funded services are available to individuals who do not have private insurance or Medicaid benefits. State services are subject to available funding and are not guaranteed. There may be a waiting list, and patients may be responsible for some percentage of the cost.

Transportation: No transportation services are offered

Ages Accepted: All ages are welcome

Inpatient/Outpatient: N/A

Spanish Speaking: Interpretative services are available

DAYMARK RECOVERY SERVICES

Daymark Recovery Services, Inc. provides mental health and substance abuse services. Daymark's goal is for skilled medical and behavioral health care professionals to support citizens of all ages and their families with the greatest opportunity for recovery, independence and the highest quality of life. Intensive In-Home Treatment Programs are also offered if patients cannot travel to the clinic. They are committed to using the most up-to-date practices and effective, research-based treatment programs to assist all citizens working toward achieving optimum health and recovery. Programs typically run from three months to one year. Open Monday - Friday from 8am to 5pm.

Any gender specific programs?: All genders may get treatment, and they have specific programs for women

Insurance coverage: The facility takes people regardless of payment ability. This is due to the funds received from the state.

Transportation: No transportation services are offered

Ages Accepted: All ages are welcome, additionally, there are programs available for children as young as four, as well as the elderly

Inpatient/Outpatient: Outpatient

Spanish speaking: Spanish translators are available

RECOVERY INNOVATIONS

Recovery Innovations is a small, 10 bed, inpatient mental health crisis unit offering substance abuse treatment. Medically supported withdrawal and detox programs are available. 24 hour nursing clinical staff is also available. First RI provides inpatient housing then patients begin "The Restart Program." The Restart Program provides recovery-based, short-term targeted care management and engagement services for people with significant mental health and/or substance abuse challenges. The purpose is to try to reduce the number of people in emergency rooms, reduce the number of police officers on call, and reduce the amount of days that people are in the mental health facility. Patients usually stay for 3-5 days.

Any gender specific programs?: There are no gender-specific programs. All genders are accepted

Insurance Coverage: State funding for people who are uninsured, Medicaid, Military Insurance, Access to Recovery (ATR) Voucher, and No Payment Accepted

Transportation: Limited transportation is available (only for people after care)

Ages Accepted: Minimum age 18

Inpatient/Outpatient: Inpatient

Spanish speaking: Spanish translators are available

Services Offered at Facility:

- Mental Health Treatment
- Substance Abuse Treatment with Hospital Inpatient Detoxification

Contact Information:

A. ASSERTIVE COMMUNITY TREATMENT TEAM (ACTT)

ACTT provides a full range of treatment functions through a multidisciplinary team who are available 24 hours a day. The service is for adults (21 or older) from Vance, Granville, Franklin & Warren Counties. The Team includes a qualified mental health professional, a psychiatrist, a nurse, social worker/case manager, and 2 peer support staff. As a Team, the staff carries out a variety of treatment interventions, including but not limited to, evaluation, outpatient treatment, case management, community-based services, emergency/crisis services and medication management. The service is designed primarily for individuals with severe and persistent mental illnesses, such as schizophrenia, psychotic disorders, and bipolar disorders because these illnesses more often cause long-term psychiatric disability. You may contact ACTT by calling 252-738-0002.

Any gender specific programs?: All genders are welcome.

Insurance Coverage: Medicaid and state funding through Cardinal Innovations

Transportation: Transportation is offered

Ages Accepted: 21 years or older
