Granville Vance Public Health is currently accepting applications for one (1) Full-time Human Services Clinical Counselor-II position to work in our Granville and Vance counties.

THE PRIMARY PURPOSE: The primary purpose of this position is to utilize the specialized skills of a behavioral health professional to independently provide brief screening and intervention as well as intensive therapeutic assessments and varied treatments to clients and/or families with mild to severe medical or emotional challenges. Services include mental health assessments, independent selection and use of behavioral therapies for cases requiring on-going treatment, case management, collaboration with psychiatric and primary care specialists, and small group facilitation. Work may include serving as the designated clinical consultant. Work often includes representing the department in contact with other agencies, serving on local committees, providing didactic community consultation and education, and participating in grant-funded integrated care work in the health department. This position requires specialized and in-depth knowledge of principles and practices of public health.

MINIMUM QUALIFICATIONS: Master's degree in human services field from an accredited institution and 2 years of counseling/therapy experience in areas such as rehabilitation counseling, professional counseling, pastoral counseling, marriage and family therapy, child life program, or related human services field that provides the experience in techniques of counseling and therapeutic assessments, one of which must be supervised; or bachelor's degree in human services field from an appropriately accredited institution and 3 years of related human services counseling or therapy experience with the above experience, one of which must have been supervised; or an equivalent combination of education / experience.

PREFERRED REQUIREMENTS: Preferred applicants will have enhanced training or experience in clinical counseling for all ages and experience working with historically marginalized populations. Substance use treatment experience is also preferred.

COMPENSATION PACKAGE: GVPH offers competitive benefits including paid group medical insurance, NC Local Government Employees Retirement System membership, thirteen paid holidays, and vacation and sick leave. Other voluntary group benefit options are available, including 401(k), 457(b), dental insurance, life insurance, vision insurance and flexible spending accounts.

APPLICATION PROCESS: Interested applicants must submit a cover letter, a completed **State Application (PD 107)** and official college transcripts; and three work-related reference contacts. Applicants who apply by March 21, 2025, will be given priority for first-round interviews. May submit via email to humanresources@gvph.org or postal mail to:
